The image shows a spacious living room with light-colored walls and a dark wood floor. Two light-colored sofas are arranged around a white coffee table with ornate legs. The room is decorated with framed art, a large mirror, and a chandelier. A large window on the right side provides natural light. A white cabinet with a mirror is visible in the background. A red patterned rug is on the floor near the glass doors. A cardboard box is on the floor in the foreground.
